

## **Privacy Policy**

**Vac-Tron Equipment** is committed to protecting and respecting your privacy. This policy, together with our [Terms of Use](#) and any other documents referred to on it, sets out the basis on which any personal data we collect from you, or that you provide to us, will be processed by us. Please read the following carefully to understand our views and practices regarding your personal data and how we will treat it.

### **The Information We Collect:**

**Non-Personally Identifiable Information Collected.** When you visit this website, a web server and web server log automatically track and collect certain non-personally identifiable information, such as your IP address, referral pages and pages viewed, access times and other relevant statistics. This data is anonymous information that does not personally identify you. We and/or our website server may use this information to measure the use of and administer this website, as well as to improve a visitor's online experience. We also may use common information collection tools like "cookies," which are small pieces of data placed on the visitor's computer hard drive. They help us to improve our site and to deliver a better and more personalised service by enabling us to:

- estimate our audience size and usage pattern;
- store information about your preferences, and so allow us to customise our site according to your individual interests;
- speed up your searches; and
- recognize you when you return to our site.

You may refuse to accept cookies by activating the setting on your browser which allows you to refuse the setting of cookies. However, if you select this setting you may be unable to access certain parts of our site. Unless you have adjusted your browser setting so that it will refuse cookies, our system will issue cookies when you log on to our site.

**Personally Identifiable Information Collected.** We may collect and process information that you provide by filling in forms on our site or by contacting us, by email or otherwise. We may also ask you for information when you report a problem with our site. If you contact us, we may keep a record of that correspondence. We may also ask you to complete surveys that we use for research purposes, although you do not have to respond to them. We may collect and process details of your visits to our site including, but not limited to, traffic data, location data, web logs and other communication data and the resources that you access. The types of personally identifiable information we may collect include your name, the name of your organization, and your email and mailing addresses.

### **Disclosure of Your Information:**

We may share your personally identifiable information with our affiliates or unaffiliated third parties who help us satisfy transactions or requests. We may also disclose such information in order to cooperate with legitimate legal requests, such as court orders or subpoenas, to perform payment verifications, or to otherwise protect the rights or properties of Vac-Tron, our affiliates, employees, customers, or end users. In addition, in the event that we sell or buy any business or assets, we may disclose your personal data to the prospective seller or buyer of such business or assets. However, we do not rent, sell or trade any personally identifiable information and will not share your personally identifiable information with any third party except as set forth above.

### **Opting-Out:**

If you have registered for or requested email communications or information from Vac-Tron and later wish to stop receiving any such communications, you may opt-out of receiving them by clicking on and completing the opt-out link provided at the bottom of the applicable email communication, or by delivering to Vac-Tron a written request specifying the opt-out request in reasonable detail at [info@Vactron.com](mailto:info@Vactron.com).

### **How We Protect Your Information:**

Unfortunately, the transmission of information via the internet is not completely secure. The security of your personally identifiable information is important to us, but while we use strict procedures and security features to try to prevent unauthorised access to your personal data, we cannot guarantee the security of your data transmitted to our site; any transmission is at your own risk. Further, in Vac-Tron's discretion, aggregated information that contains no personally identifiable information may not be treated as private or confidential.

### **Children's Use of The Website:**

This website is not designed for or directed to children under the age of 13 and Vac-Tron asks that children under the age of 13 not submit any personally identifiable information.

### **Affiliated Company Sites:**

To the extent this website contains links to any networked web pages or other websites operated by us, our parents, subsidiaries or affiliates, please check the particular linked site for its applicable privacy policy, which may differ from this one, depending on the specific nature of that site and the transactions taking place there. If an affiliated company's site has its own privacy policy, the provisions of that policy will control, to the extent of any conflict with this Privacy Policy.

### **External Links:**

We may provide links from this website to other sites that are external to Vac-Tron. We do not operate these external websites, have no control over them and are not responsible for the privacy practices or contents of such external websites.

**Changes to Our Privacy Policy:**

We may revise this Privacy Policy. To help you stay current regarding any changes, we note the date this Privacy Policy was last updated below, so you know if it has changed since your last visit. Your use of this website following the posting of any revised Privacy Policy shall be deemed acceptance of the revised policy.

**Location of Our Servers; Governing Law and Venue for Disputes.**

If you are visiting this website from outside the United States, please be aware that this website and the servers that host it are located in the United States and any information or data you provide, including personally identifiable information, will be transmitted to the United States. By using this website or providing your personally identifiable information, you agree and consent to (a) the application of the laws of the State of Colorado, United States, with respect to any dispute arising out of or related to this Privacy Policy, other than such rules, regulations, case law, and/or international treaties that would result in the application of the laws of a jurisdiction other than Colorado, and (b) the exclusive jurisdiction of the courts of Colorado to resolve any such dispute and you hereby waive any objection thereto based on inconvenient forum.

**Questions or Concerns:**

If, after reading this Privacy Policy, you have any questions or concerns, please contact [info@Vactron.com](mailto:info@Vactron.com).
